# Quality education worldwide

Bellerbys College is part of Study Group, a quality global education provider that invests in students' futures and enhances their prospects by focusing as much on the way they learn as the qualifications they achieve.

Study Group provides:

- English language programmes
- University access
- Career Education

## Corporate Social Responsibility

As a global education provider Study Group seeks to make a difference by funding the construction of schools in disadvantaged communities. Through our charity Building Futures, Study Group works to identify those communities where the building of a school will contribute to the preservation of the social structure for future generations.

Study Group also recognises its responsibility towards protection of the environment and fosters among its staff, suppliers, customers, shareholders and local communities an understanding of environmental issues in the context of its business. Our collective task is to ensure that we continually improve the environmental impact of our global activities.
