

CATS Canterbury A level, Foundation Programme and International Baccalaureate University offers 2010

University offers continue to be impressive again this year for our University Foundation, A-level and IB students. These offers, including many from Times Top 20 Universities, reflect the success of our personalised learning approach and commitment to counselling students onto the right degree programme for them.

Our 2009 results:

72% of University Foundation offers were from the Times top 30 Universities

83% of A-level offers were from the Time's top 20 universities

36% of International Baccalaureate students recieved offers from the Time's top 10 Universities by subject area

“The study skills techniques we’ve been taught such as speed reading and skimming have proved invaluable and the flexibility of my programme of study has enabled me to specialise in areas specifically relevant for my chosen career of becoming a pilot”
