

# CATS Cambridge A level and University Foundation destination offers in 2009

## Fantastic university offers for A level and University Foundation students at CATS Cambridge!

Students at CATS Cambridge are set to accept places at the Times Top 10, 20 and 30 universities in 2009 making this one of our most successful years yet. Two students have been offered places at Cambridge University, three at Imperial College and eight at Warwick University - all ranked within the Times Top 10 universities!

**38%** of A level students' offers are from the Times Top 10 universities

**72%** of University Foundation students' offers are from the Times Top 30 universities

### 2008 results include;

**40%** above the national average pass rate

**15%** increase at grade A (most frequent grade)

**15%** increase at grade A & B combined

**10%** increase of ABC grade at A level

Students exceed their expectations, achieving places at the highest ranked universities in the UK and overseas because of our:

- **Unrivalled Higher Education and university pathway advice**
- **Two Grades Higher**
- **Free and unlimited supplementary tuition**

"All my tutors are very supportive. My maths tutor has really brought the excitement to the subject and I really respect him and his knowledge. I would never have achieved so much had I gone to another College."

**Qian Li Xia**

*Qian Li has accepted an offer from Cambridge University where he will read Mathematics.*
