# Benedictine College

## Fast Facts

#### Undergraduate Degrees Offered:

Bachelor of Arts, Bachelor of Science, Bachelor of Music Education, Associate of Arts

#### Post-Graduate Degrees Offered:

Master of Business Administration

#### Campus Size:

110 acres (about half a square kilometer)

#### Location:

Benedictine College's beautiful and peaceful campus occupies tall bluffs overlooking the mighty Missouri River on the outskirts of historic Atchison. This safe, traditionally "American" city offers the advantage of small-town life where there's a familiar face wherever you go. Atchison is known for its Victorian mansions and the famous Nell Hill's store. Kansas City – a major Midwestern metropolitan area – is 45 minutes away.

#### Climate:

Temperate – 4 seasons

#### Student Body:

1,350 full-time undergraduates; 3.5% international

#### Average Class Size:

16

#### Faculty:

67 (full-time), 77% with terminal degrees,

#### Student/Faculty Ratio:

14:1

#### Athletics:

*Men's Varsity sports* include baseball, basketball, cross-country, football, soccer, and track  
*Women's Varsity sports* include basketball, cross-country, dance, soccer, softball, spirit squad, track, volleyball

#### Campus Features:

Traditional residence halls with wireless internet access, 500-seat auditorium, cafeteria, campus store, coffee house, computer labs, fitness room, 2 gymnasiums, restaurant and soccer stadium.

About 35 clubs and organizations provide ample opportunities for diverse extra-curricular activities.

Benedictine College also encourages students to study abroad at its campus in Florence, Italy.

#### National Reputation:

Listed as one of "America's Best Colleges" in 2008 & 2009 by *U.S. News & World Report*.

Rated one of the Top 20 Catholic colleges in the United States by the Cardinal Newman Society.

#### Success Rate:

More than 95% of alumni start jobs or graduate school immediately after graduation. BC alumni have attended graduate schools such as New York University, Purdue University, the University of Michigan and Washington University.

Benedictine College has a very high acceptance rate of students being accepted into the medical schools of their choice.

More than 70% of biology majors continue in postgraduate and professional schools. This is significantly above the national average.

#### Accreditations:

Benedictine College is accredited by the North Central Association of Colleges and Schools.
