International Student/ESL Program: Indian Springs School does not have an ESL program. Therefore, because of the demanding academics, students are expected to have an advanced level of English proficiency. For example, the average SAT score at Indian Springs School is 1318; the average ACT score is 28. For AP exams, 91% of the students score 3 or higher and more than 40% of the students are named AP scholars.

Athletics: *Girls:* basketball, cross-country, golf, soccer, softball, tennis, volleyball; *Boys:* baseball, basketball, cross-country, golf, soccer, swimming, tennis. When there is sufficient interest, teams are also fielded in fencing and ultimate frisbee.

Campus Features: At one end of the lake is a sandy beach and the "Hut", an A-frame recreational building. Across the lake are the classrooms and science labs. Nearby are the dining hall, biology lab, darkrooms and art studio. Close to the dining hall are the dorm rooms, connected by covered walkways. The gym contains two basketball courts, two weight rooms, an aerobics room and a student center. A 500-seat concert hall and 300-seat theatre are busy with musical events and 8 – 10 student productions/year. New and/or expanded facilities include the library and media center and a 21-station technology classroom and adjacent lab. All new dorms and a science center are being built. Four tennis courts and various athletic fields complete the campus.

Extracurricular Activities: Presently, there are more than 25 student clubs and activities. Particularly noteworthy is the 150 member choir that performs throughout the nation. In addition, a chamber choir tours internationally.

Marking System: Comprehensive grade reports are sent to parents 6 times a year. Students meet with their advisors 5 – 6 times/year or as needed.

Accreditations: Indian Springs School is accredited by the Southern Association of Colleges and Schools, approved by the Alabama State Department of Education and a member of the National Association of Independent Schools.
