

Milwaukee School of Engineering

MILWAUKEE, WISCONSIN

WWW.MSOE.EDU

Milwaukee School of Engineering

Undergraduate Programs of Study:

Engineering Field

Architectural Engineering, Biomedical Engineering, Biomolecular Engineering, Computer Engineering, Electrical Engineering, Industrial Engineering, Mechanical Engineering, Software Engineering

Architectural Engineering & Building Construction Field

Architectural Engineering, Construction Management

Computer Field

Computer Engineering, Management Information Systems, Software Engineering

Business Field

Business Management, International Business, Technical Communication

Health-Related Field

Biomedical Engineering, Biomolecular Engineering, Nursing

Fast Facts

Undergraduate Degrees Offered:

Bachelor of Science—Business, Bachelor of Science—Engineering, Bachelor of Science—Nursing

Campus Size:

15 acres

Location:

Milwaukee is a city of 1.5 million on the shores of beautiful Lake Michigan, thereby providing access to many recreational activities. The University campus is located in East Town, one of the City's "hottest" neighborhoods with great museums, theatres, galleries and restaurants.

Climate:

Temperate—4 seasons

Student Body:

2,400 undergraduates; 3% international

Average Class Size:

20, average laboratory experience: 600 hours

Faculty:

119 (fulltime); 93 with Ph.D.
0 Teaching Assistants

Student/Faculty Ratio:

12:1

Athletics:

NCAA Division III, 22 inter-collegiate men's and women's teams.

Campus Features:

More than 70 student organizations including academic, fraternities, sororities, government, multicultural, professional, special interest and service clubs.

Facilities include the Allen-Bradley Hall of Science, the Engineering Center, the Student Life & Campus Center, and the Kern Center which houses athletic, health and wellness facilities. There are 3 residence halls on campus.

MSOE's 60 laboratories are among the best in the nation. In fact, some labs are the only ones of their kind in a U.S. University.

National Reputation:

MSOE is ranked among the top 10 Best Undergraduate Colleges in the Midwest by *U.S. News & World Report*.

MSOE was selected as "A Best Midwestern College" by *The Princeton Review*.

MSOE's engineering programs are currently ranked 11th in the country.

Success Rate:

MSOE has a 98% job placement rate. Average starting salary for graduates is \$52,500 USD.

Accreditation:

MSOE is accredited by the North Central Association of Colleges and Schools. Engineering programs are accredited by ABET. The construction management program is accredited by ACCE. The nursing program is accredited by CCNE.
