The university offers 4 types of accommodation, across 3 different residences, all of which are university managed. Below is an outline of each type of accommodation available.

Oadby Student Village, En-suite Single
Catered - £140 per week
Self-catered - £97 per week

Oadby is a self contained student village and we are offering en-suite rooms with catered or self-catered facilities. Every room has a telephone and broadband-type internet connections. The Oadby Student Village is very close to all of the sports facilities, and is a 15 minute bus ride from campus.

Oadby is managed by the university and there is a warden on duty. For this reason any student who will be under 18 on arrival should be accommodated here.

You will have to vacate your room during Christmas and Easter vacations. You can stay in self-catered accommodation during these times at an extra charge.

All Students staying in Oadby Student Village will be offered alternative accommodation during the summer when the Oadby residences are closed.
