

Work & Study Internships Unpaid - Malta

Available Dates: Throughout the year

Also available at: EC London, EC Cambridge, EC Brighton
& EC Cape Town

EC can arrange placements in a wide range of companies and organisations based in Malta. EC is proud to offer Internship service to students wishing to gain valuable work experience in their area of studies.

Internships help students stand apart in the competitive work environment and enhance their CV with the experience of living and working abroad. Internships do not only improve professional skills, but also language skills.

General Internship Aims:

- To provide practical work experience in companies for students and professionals
- To enhance employment opportunities
- To provide a means of increasing student awareness of international business culture and to improve business and interpersonal skills
- To provide individuals with a means of improving existing language skills in a professional environment
- Provide an individual with the means to improve upon business language and interpersonal communication skills and to meet individual requirements in terms of vocabulary extension within a specified vocational area

Students are regularly monitored throughout the programme to ensure their satisfaction. Students are also encouraged to contact us if they have any problems or need additional help.

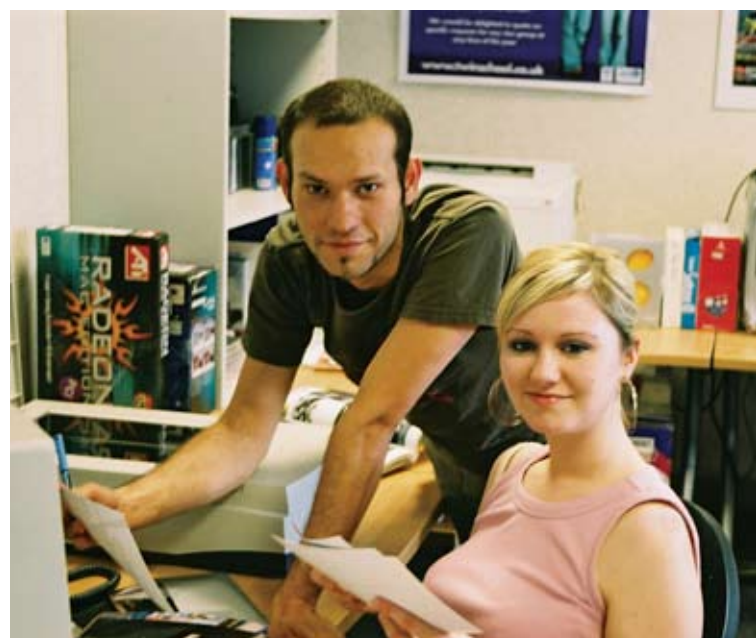

The English Course

Before beginning their placement students will attend an English course, which provides a great opportunity for them to get used to life in a new country and helps them build their confidence using English before starting their internship.

All Nationalities – Minimum Course Duration: 8 weeks before beginning internship.

Internship description

Internships allow students improve their English in a specific profession, gain practical skills and increase their awareness of international business practices.
